

Make this a Red Cross Christmas

Put your flag
in your window

—let your neighbors
know you haven't for-
gotten Belgium—and
France—and our boys
who remain overseas

The happiest, merriest Christmas the world ever knew is almost here. But in the rejoicings of peace and freedom there is one note of seriousness that America must not forget—there is mis-

ery and distress and sickness all over the world. Relief must be given. The work of the Red Cross *must* go on. And to carry on, the Red Cross *must* have the support of your membership.

Wear your Button

It is evidence that you have placed your stamp of approval on the excellent work which the American Red Cross has done—and will continue to do. Don't think for a minute that there will be curtailment of essential work.

Join the Red Cross

—all you need is a heart and a dollar
